

BRKINI - A FORGOTTEN REGION OF FORESTS AND FRUIT

Program

On this picturesque biking tour you will discover the little-known region of Brkini. Far from tourist resorts lies this green and hilly magical place. The cycling itinerary is set in the mysterious world of its own; it leads you through thick forests, across meadows, by crystal clean stream and passes sparsely populated typical villages. You will encounter fascinating landscape in all of its tranquil beauty. Climbing through forest trails, descending the hidden canyon with long deserted mills and blacksmiths' shops you may not meet another soul for a couple of hours. Should you wish to escape from crowd to enjoy in riding in the most unspoiled nature, this unique cross-country cycling tour is a perfect choice.

Suitable for experienced riders with front-suspension or full-suspension bikes.
